That The eleventh, twelfth, and thirteenth Columns left blank, indicate that the Vessel has never been Classed in the Register Book. Three dots in Column 12 indicate that the Vessel was at one time Classed by this Society, but that the Class has been withdrawn at owners' request. A black line in Column 12 indicates that, at that date, the Vessel, from reported defects, was not entitled to a Character in the Register Book. A red line in this Column indicates that the Class was withdrawn from non-compliance, at that date, with the Society's Rules. The ✠ signifies that the Vessel has been built to Special Survey. *** Additional Ships are inserted in the Supplement at the end of the Register.

The eleventh, twelfth, and thirteenth Columns left blank, indicate that the Vessel has never been Classed in the Register Book. Three dots ... in Column 12 indicate that the Vessel was at one time Classed by this Society, but that the Class has been withdrawn at owners' request. A black line with date under it in Column 13 indicates that, at that date, the Vessel, from reported defects, *was not entitled to a Character in the Register Book. A red line with date under it in this Column indicates that the Class was withdrawn from non-compliance, at that date, with the Society's Rules. The ✠ signifies that the Vessel has been built under Special Survey. The broad* A *that the Vessel is built of Iron. The eleventh, twelfth, and thirteenth Columns left blank, indicate that the Vessel has never been Classed in the Register Book. Three dots ... in Column 12 indicate that the Vessel was at one time Classed by this Society, but that the Class has been withdrawn at owners' request. A black line with date under it in Column 13 indicates that, at that date, the Vessel, from reported defects, *was not entitled to a Character in the Register Book. A red line with date under it in this Column indicates that the Class was withdrawn from non-compliance, at that date, with the Society's Rules. The ✠ signifies that the Vessel has been built under Special Survey. The broad* ⩓ *that the Vessel is built of Iron. The note * (thus * ⩓) that the Vessel has been built with heavier plating than the Rules now require. B.Hds. Bulkheads.* Cem. *Cemented.* Asp. *Asphalted.* 2 or 3 *Dks.
